## 5 EASY STEPS

Covers are made to order. Here's all you need to do (see details contained in this brochure):

---

- 1** Choose cover type
- 2** Select material and color
- 3** Measure your cart
- 4** Indicate closure type
- 5** Add extra options (including a logo, pockets and windows)

# 1 Choose your cover type

Vinyl pocket

Grommets for locking

Reject Linen pouch with silk screen

## Standard Covers—available in nylon or antimicrobial-treated\* vinyl

Standard covers have a single front flap that is fastened shut with either zippers or hook-and-loop closures. Also available without a flap.

Silk screening is available as a custom extra.

*\* This product is treated with an antimicrobial agent built in to protect the product. This product does not protect users or others against bacteria, viruses, germs or other disease organisms.*

### Easy-Grab Covers—convenient access and permanent protection

Keep your linens covered at all times with clear view vinyl window strips.

- Vertical panels let you easily see what you're grabbing
- No flaps to close. Linens are never left uncovered
- Back and sides can be ordered in wipe-clean vinyl treated with an antimicrobial agent\* or washable 420-denier nylon

Easy access to linens

Removable window strips for trouble-free laundering. Easily replaced if damaged or lost.

### Half Cart Covers—for Poly Bulk Trucks

Only a 12" cover on the sides and back is needed to hold this durable cover in place – plus a full front flap to cover the opening. Options include:

- Hook & loop to secure the front flap to the cart
- Elastic corners for a more snug fit
- Silk screen your logo on the flap to market your business

Reinforced corners

Elastic corners available for a more snug fit.
